

Griffin School Foundation Pavers Make a Great Gift!

Buy a paver to support The Griffin School Foundation! Your custom engraved brick paver will be added to the cobblestone area near the main entrance of the Griffin School campus. These pavers make great gifts for any occasion: graduation, birthdays, holidays, or just showing your support and becoming a part of Griffin School history!

Monies raised will support The Griffin School Foundation in their efforts to enhance the community through enrichment of our youth. Pavers will be sold year round, and will be installed during spring or summer breaks. Two sizes are available: 4" x 8" or 8" x 8".

We are now using a new engraving method to insure that the pavers remain legible. Existing pavers that have faded will be replaced this summer. Thank you for your support!
