WHO WE ARE

The Griffin School Foundation was founded in 1999 by a group of individuals in the Griffin Community who wanted to promote and help fund learning opportunities for Griffin Students, and strengthen the community in which we live.

OUR MISSION

To support and contribute to the improvement of public education and related needs in the Greater Griffin Community, that are not, or cannot be, supported by traditional funding.

Dear Friend of the Griffin School Foundation:

The Griffin School Foundation is a nonprofit organization (Tax ID #45-4330799) with the sole purpose of supporting the Steamboat Island community by helping to provide educational resources to the school district's students. Through your generous donations to our previous auctions, which took place every two years, we were able to continue to do great things for our community.

This year, we will return to the Steamboat Tennis & Athletic Club. This auction, themed "Steamboat Stampede", will be a night of drinks, heavy hors d'oeuvres, a silent auction of carefully curated items, as well as wonderful live items to be auctioned off. At the end of the evening, we are planning a "Raise the Paddle" finale. This auction will help us to continue to provide scholarships and grants to the Griffin Students for 2026 and 2027.

Here is a brief sampling of our past projects:

- Created scholarships that are awarded yearly to past and current Griffin School students (Over \$50,000.00 received by students in 2023 & 2024!)
- Awarded monies for special grants within Griffin School to support teachers and students in achieving maximum engaged learning opportunities, including equipment for special needs students, friendship bench, revitalization of the 41st Ave fields, books for the library and pottery wheels for the arts, to name just a few.
- "The Principal's Checkbook", a fund created for the Administration and Faculty to use for any student in need in our school, especially in emergency situations.
- Senior luncheons for long-time community members and alumni to rekindle and maintain those endearing ties to Griffin School and one another
- Engraved pavers display honoring community members and local families with pavers placed in a prominent location at Griffin School
- Electronic reader board for school and community announcements

This year, our fundraising goal will be to enhance education to students at Griffin by making our event proceeds available to the school district through our twice-yearly grant program, thus giving teachers and staff the ability to request funding for items they really need to keep the classrooms functioning during this time of budget cuts, and funding for our yearly scholarships and Principal's Checkbook fund.

We understand that you are often asked to donate for many different causes and we appreciate your generosity. Your sponsorship will help provide the best opportunities for tomorrow by helping our young people and community today. Please find enclosed a list of the sponsorship packages available. Feel free to contact me if you have questions.

Thank you for your consideration,
