

Griffin School Foundation: Paver Order Form

Buy a brick paver to support the Griffin School Foundation and become a part of Griffin School history! Your custom engraved brick paver will be added to the cobblestone area near the main entrance of the Griffin School campus. Pavers are installed each summer following your order. They make great gifts for any occasion: graduation, birthdays, and holidays or for showing your company/organization's support.

The sale of these pavers directly supports Griffin students and staff through scholarships, grants, youth enrichment opportunities and more! Two brick paver sizes are available: \$50: 4" x 8" or \$100: 8" x 8".
